Patriarch of All Romania Daniel delivers sermon on Sunday during After-feast of the Theophany

The Patriarch of All Romania, His Beatitude Daniel, during his sermon on Sunday, in the After-feast of the Theophany, called on the faithful to seek change through repentance.

His Beatitude noted, "...that the Gospel after the Baptism of the Lord portrays the commencement of the Savior's actions in the Galilee of Nations... Christ began his teachings as did John the Forerunner, with the words, 'Repent ...for the kingdom of heaven is at hand'."
