## The sacrament of baptism in the Dormition of the Theotokos Church, Jeonju

On December 17, 2022 (Sat), the sacrament of baptism and chrismation of Logan Alexander Leeder, Dael Paul Leeder, and Nara Leeder (father and two children) was held by Father Hilarion Jeong in the Dormition of the Theotokos Church in Jeonju.

It was a more meaningful and blessed baptism ceremony as it was the first sacrament of baptism in the newly built church. We hope that the grace and mercy of our Lord will always be with the three new orthodox members and that they will live their lives in the light of Christ and achieve salvation.
