Seminar by Evgenios Voulgaris digital academy on olive cultivation, production

Από το χωράφι μέχρι το ποιοτικό ελαιόλαδο

A new seminar on olive tree cultivation and the production of olive oil and table olives is being organized by the digital academy Evgenios Voulgaris.

The seminar is based on the centuries of experience in the field acquired by the monks of the Holy & Great Monastery of Vatopedi, as the venerable Mount Athos monastery produces amongst the highest quality olive oils in the world.

For more information, please visit the webpages of the Pemptousia platform or the webpage of the digital academy.
