

Feature on Monastery of Katharon of Ithaca

The Elder Archimandrite Sevastianos, the Abbot of the iconic Monastery of Katharon, on the Ionian Island of Ithaca, spoke to the Pemptousia platform on the history of the monastery and the miracles of the Panaghia Kathariotissa Icon, which is preserved and venerated at the Catholicos, or main cathedral, of the venerable monastery.

An expanded edition of the tome “Miracles of the Holy Cincture” has been re-released by Vatopedi Publications, of the Holy & Great Monastery of Vatopedi on Mount Athos.
