The Youth of the Archdiocesan District of Northcote enjoyed a Greek Night

With the blessing of His Eminence Archbishop Makarios of Australia, the Archdiocesan District of Northcote in Victoria organised an evening dedicated to Youth. It was the first event of 2023, which took place on the grounds of the Holy Church of Saint Paraskevi in the Melbourne suburb of St Albans.

The Youth gathered with great enthusiasm and had fun in an environment with a purely Greek character.

His Grace Bishop Evmenios of Kerasounta, in a short greeting, conveyed to all the young people the wishes and blessings of their Shepherd, His Eminence Archbishop Makarios of Australia, and reminded them that the Archbishop and the Holy Archdiocese are by their side, for all their needs. His Grace Bishop Evmenios also referred to the two important projects being launched by the local Church in Redfern, Sydney and Northcote, which, as he pointed out, are being done mainly for them, for the new generation of the Greek Orthodox.

In closing, His Grace Bishop Evmenios of Kerasounta emphasised that the Church stands for the youth, not only to offer them love, but at the same time to listen to their opinions and learn greatly from them.
