

## Center for Family Care Releases Pilgrimage to Pascha Lenten Package for Parishes

The Center for Family Care has prepared a comprehensive Lenten series intended for parish small group discussions, entitled Pilgrimage to Pascha. The package includes weekly guides centered around 8 brief videos highlighting the key signposts, or tools for growing our faith, used along the Church's Lenten journey. The weekly Small Group Guides suggest opening and closing prayers, discussion questions, and ideas for in-person object lessons and handouts. The package is available for free download on Orthodox Market Place, here: <https://orthodoxmarketplace.com/pilgrimage-to-pascha-small-group-guide-pdf/>
