Holy Metropolis of Veria hosts festal event to bestow awards to mothers of large-member families

The Holy Metropolis of Veria, in northern Greece, on Sunday organized a festal event to bestow awards to mothers of large-member families.

The resident Metropolitan and host of the event, His Eminence Pantaleimon, also took the opportunity to express his warmest thanks to the Holy & Great Monastery of Vatopedi, and its Abbot, the Elder Archimandrite Ephraim, for the venerable Mount Athos monastery's standing support towards large-member families in the Metropolis.

The Holy & Great Monastery of Vatopedi was represented by the Hieromonks Timotheos and Gennadios, who conveyed the greetings and Christian love of the Elder Ephraim.
