## **Pilgrims from Archdiocese of the Patriarchate of Antioch in St. Petersburg**

A group of pilgrims of the North American Archdiocese of the Patriarchate of Antioch visited St. Petersburg, Russia this month. The Archbishop of New York and Metropolitan of All North America, His Eminence Joseph, led the delegation.

In north London, the 2019 Greek Orthodox clergy conference was held last Thursday at the Cathedral of the Dormition, in the Wood Green district.

The Archbishop of Thyateira and Great Britain, His Eminence Gregorios, presided over the conference.

The event comes amid renewed speculation that a new Archbishop of Great Britain will be elected during an upcoming Holy Synod of the Ecumenical Patriarchate, which is scheduled for next month.
