## **Cheesefare Monday commemorated on ecclesiastical calendar today**

Today marks Cheesefare Monday, with the commencement of Great Lent ahead of Pascha, Holy Easter, for 2023, now one week away.

The Church today commemorates Leo, Bishop of Catania. A day earlier, the memory of Philothea the Righteous Martyr of Athens, was solemnly commemorated in a splendid manner in the same-name district of the Greek capital dedicated to the 16th century saint.
