

Pemptousia to live-stream Great Lent liturgy of First Salutations to the All-Holy Theotokos

Pemptousia television today will live-stream the Great Lent liturgy of the First Salutations to the All-Holy Theotokos, the Virgin Mary, from the cathedral of St. George, in the east Athens district of Papagou.

The emotional service includes the chanting of the first stanza of the Akathist Hymn.

Finally, allow us to remind you that Vatopedi publications has released the historical work of early 20th century Hierodeacon Arcadios of Vatopedi.

The Elder Arcadios recounts the history of the Holy & Great Monastery of Vatopedi, from its establishment, all the way to the 1930s, when he authored the work.

The account is based on the documents and tomes found in the venerable Mount Athos monastery's archives.
