

## Feast day of Christodoulos, the Wonderworker of Patmos

The Church today venerates the memory of Savinos, the Martyr of Egypt. Today is also the feast day of Christodoulos, the Wonderworker of Patmos.

On the occasion, the Pemptousia platform has posted a feature today on the Holy Monastery of St. John the Theologian, located on the Dodecanese Island of Patmos, which was founded by St. Christodoulos in the 12th century.
