## Feature on the Monastery of Virgin Mary at the Pagousaina site, Chios island

**[A feature today on the webpages of the Orthodoxia News Agency profiles a Monastery dedicated to the Virgin Mary, on the eastern Aegean island of Chios, at the Pagousaina site.](#)**

The medieval monastery is located in the island's north, some 52 kilometers from the capital city, and built on the slopes of a mountain, and directly over a spring that continues to supply the nearby village with its excellent drinking water.
