The photograph of the Ecumenical Patriarch at the Kastoria Aquarium

On Wednesday, 3 May 2023, His Eminence Metropolitan Kallinikos of Kastoria visited the Aquarium of Kastoria, which bears the name of His All-Holiness Ecumenical Patriarch Bartholomew, along with the Mayor of Kastoria Mr. Ioannis Korentsidis.

His Eminence handed over to the Mayor and the people in charge of the Aquarium a large frame with the photograph of The Ecumenical Patriarch, in order to hang it at the entrance of the building.

Afterwards, His Eminence Metropolitan Kallinikos was given a tour by the staff of both the Aquarium and the Environmental Education Centre, which is housed in the building, as well as the wonderful surrounding recreation area, and congratulated those in charge and those involved.
