

Metropolitan Myron of New Zealand visits Saint John's College, Preston

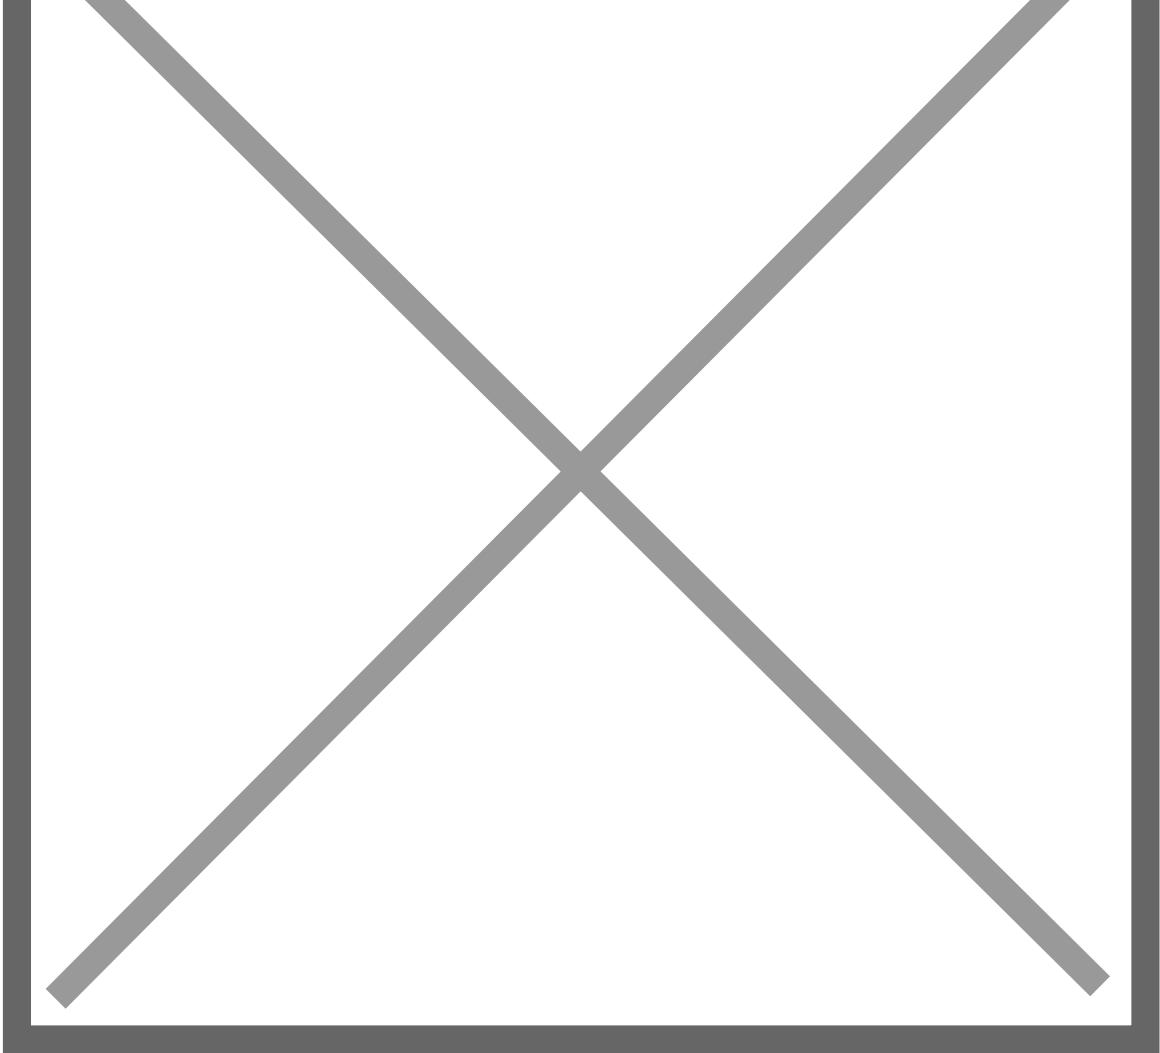

Today, Monday 29 May 2023, Saint John's College, Preston, had the privilege of welcoming His Eminence Archbishop Myron of New Zealand for a tour through the college grounds and facilities.

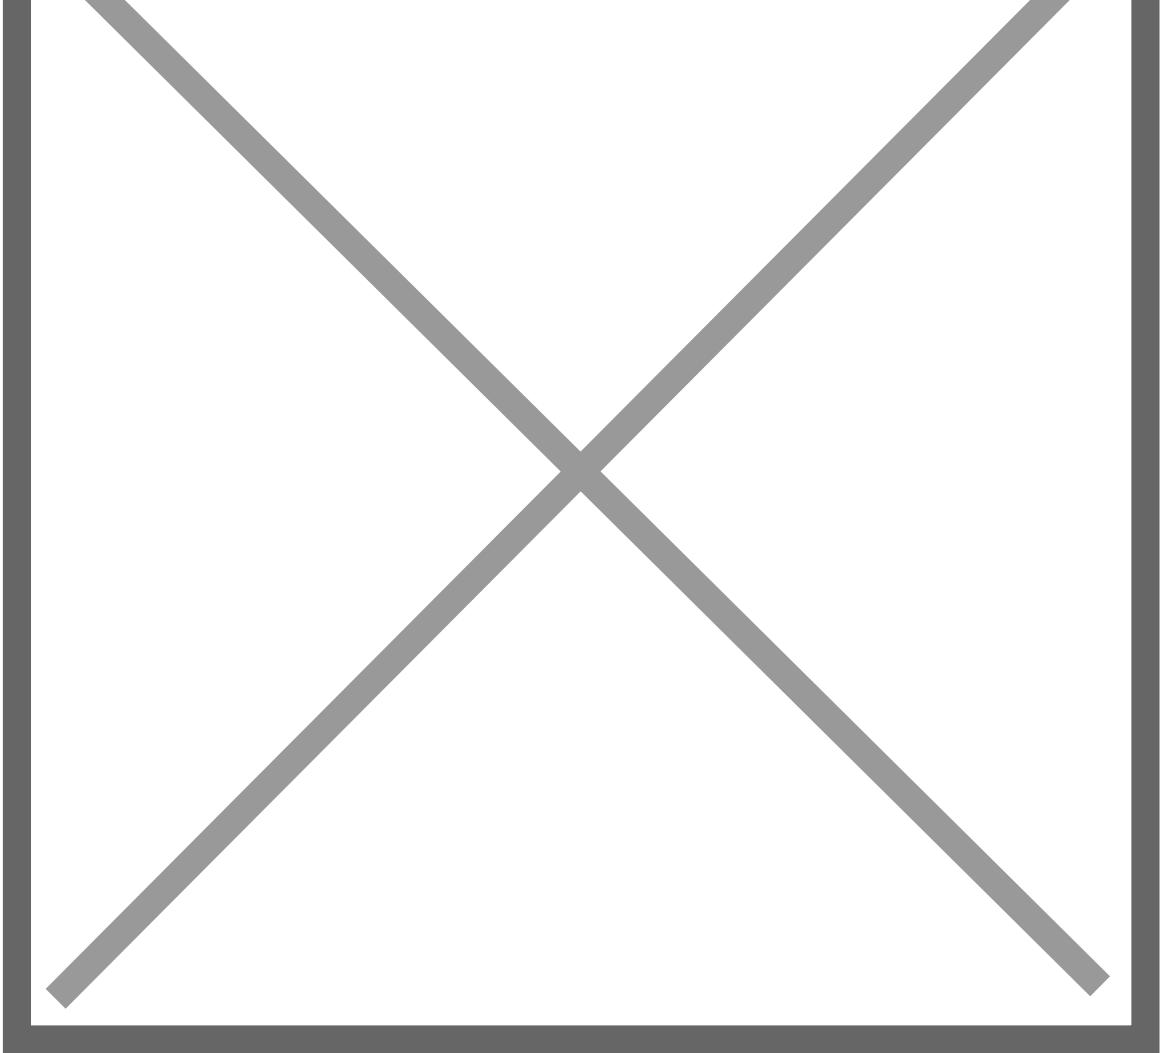

Metropolitan Myron held warm and interesting conversations with our students and staff, in particular about the curriculum and co-curricular programs and activities, as well as the Greek language program.

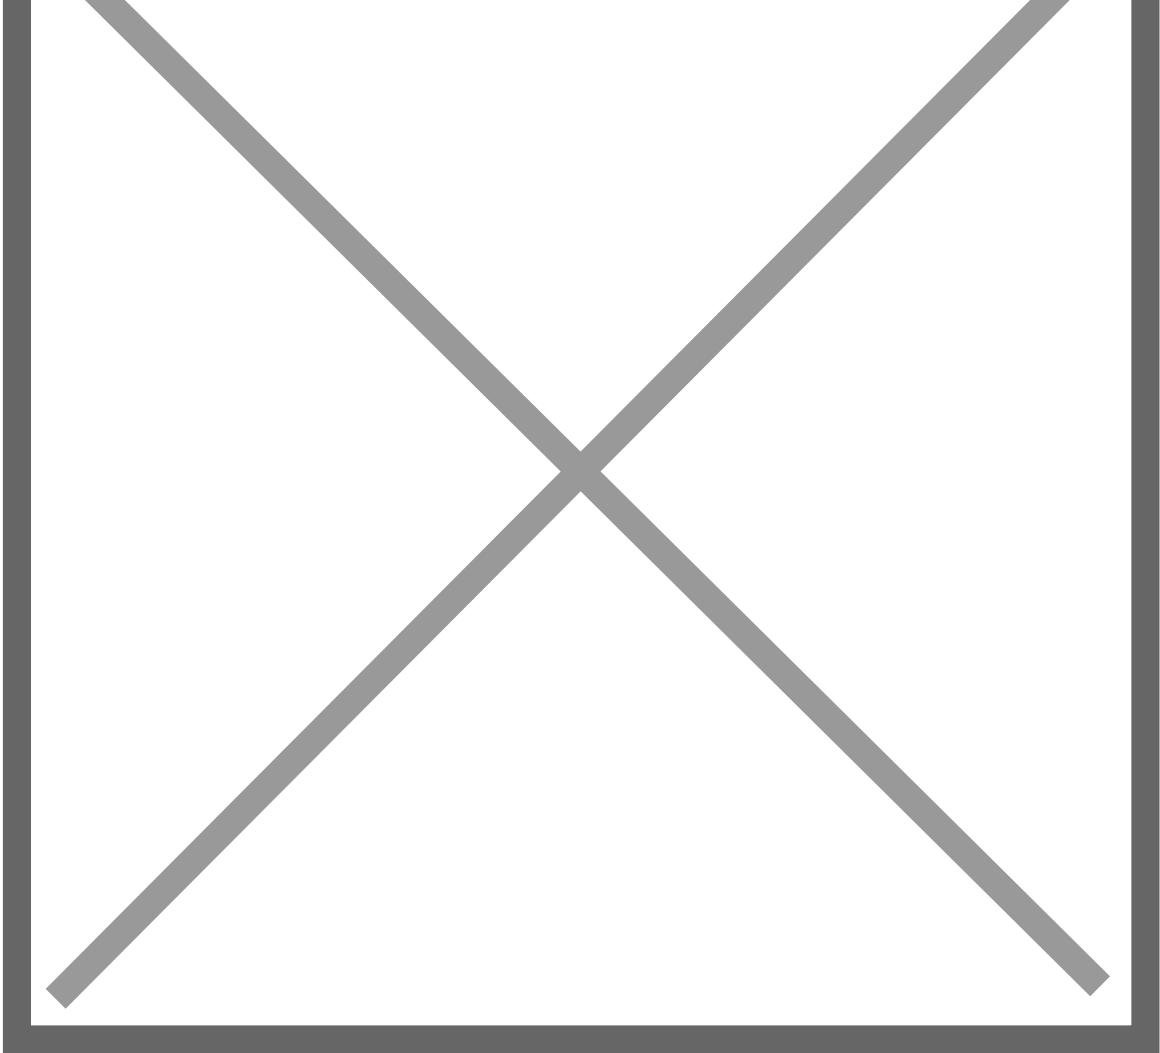

His Eminence Metropolitan Myron is currently raising money to build a school in Fiji and Saint John's College will be supporting this blessed work.
