Perth: Saint Nektarios Church Raffle Raises \$100,000

With the blessing of His Eminence Archbishop Makarios of Australia, the Church of Saint Nektarios in Perth conducted its annual Church Raffle for the third consecutive year with the intention of raising funds for the beautification and ongoing maintenance of the church.

The Church of St Nektarios is located on the same premises as the offices of the Archdiocesan District of Perth located in the northern corridor.

This year the Church Raffle raised \$100,000.00 and included supporters from all States and Territories from within Australia.

It was wonderful to see so many Greeks and Non-Greeks, Orthodox and Non-orthodox, showing their enormous love towards this sacred cause.

The official drawing of the raffle took place on Sunday the 1st of October in the Archdiocese Function Centre in Dianella following the Divine Liturgy.
