

Webinar: Teaching the Holy Twelve Days of Christmas: Christmas - New Year - Lights

The Office of Greek Education is organizing the second seminar in a series of eight educational events. This seminar, which is the 2nd in the series, will explore innovative teaching methods and different ways of teaching, with a focus on religion, customs, and the traditions of the Holy Twelve Days (Christmas - New Year - Lights).

The seminar will be interactive and involve the participation those in attendance. The speaker for this seminar is Dr. Angeliki Mastromihalaki. The seminar will be held on the first Saturday of each month, starting on November 4th, 2023, at 3:00 PM.

Understanding the Holy Twelve Days of Christmas:

Christmas - New Year - Lights (Customs and Tradition)

The aim of this seminar is to enhance our understanding of the customs, tradition, and the significance of Orthodox Christian faith. It also seeks to empower students to find joy in learning, create knowledge, and gain a deeper understanding of history.

During the 2nd Seminar, teachers will find inspiration and ideas for organizing the Christmas school holiday. This seminar provides an opportunity to explore how our students develop their religious awareness through the Orthodox Christian experience, which is facilitated by various means such as experiences, collaboration, written materials, storytelling, drama, hands-on activities, and crafts.
