The Metropolis of Pittsburgh 2024 Sunday School Planning Calendars Now Available

The Greek Orthodox Metropolis of Pittsburgh Sunday School Planning Calendars are ready for 2024!

This tool is a major step in supporting our hard-working Sunday School Teachers, Directors and Superintendents.

With the help of many incredible hands, all credited on our website, you will find documents for each grade, with 7-8 and 9-12 grouped together. We utilized (and linked) the existing Department of Religious Education Curriculum and laid it out in a simple, easy-to-follow manner, lining up what lesson to teach on what week and offering additional resources to aid you with that lesson, such as videos, articles, other lessons, object lessons, crafts, music, etc.
